Race Information

Dear Runner,

Thank you for entering **The Terminator**. Your number should be collected from Race HQ on the morning of the Race. **Please complete the Emergency Information on the reverse**. Overleaf is a handy street map of Pewsey to help you find your way about on race day. We sincerely hope you enjoy the event.

- **Race HQ, late registration & refreshments** – Pewsey School, Wilcot Road SN9 5EW. Tea, coffee & home made cakes are available.
- **The Course** – Mostly on footpaths and tracks. Trainers with good grip required. Spikes not recommended. No dogs please as there is likely to be livestock on the route.
- **Car Parking** - At Pewsey Sports Centre and other Pewsey car parks (free). These will be marked from the main roads. Please obey marshals' instructions. Note: Several of the car parks are 5/10 minutes walk from Race HQ and start.
- **Toilets, Changing & Showers** – at Pewsey School. Please use the toilets in the school or the Portaloos provided. Use of any available wall DOES NOT make our event popular with local residents. Remove muddy shoes before entering the school. **Thank You**
- **Personal Listening Devices**- Must **not** be worn during the event. We have had serious 'near misses' as a result of participants not hearing marshals' instructions. *It is your safety that is our primary concern*. Failure to comply will result in exclusion from the results.
- **The Start** – The race starts at 10.30 from the school.
- **Drink Stations** – At the 3, 6 & 9 mile points approximately + finish, 11.5 miles.
- **The Finish** – Back at the school.
